## Town of Rico Community Meeting

November 2, 2017

6:30 p.m. – 8:30 p.m.

Town of Rico Courthouse

---

---

**6:30**      **Welcome & Introduction**

*Town Manager Kari Distefano will welcome community members and introduce Town officials and guests.*

---

---

**6:35**      **Our Community Challenges**

*The Town is facing some serious challenges for a prosperous future. The Town Manager will provide an overview of the physical infrastructure constraints that are limiting the ability of property owners to develop property.*

---

---

**7:35**      **Community Discussion: What If....Envisioning Our Future**

*Our community has some options, each with likely different outcomes. What do we want for Rico 5, 10, 25 years from now? In this discussion we will work in smaller discussion groups to consider scenarios for how our future might play out. We will then come back together into a single group to discuss what we hope for as a community and what we may need to do to get there.*

---

---

**8:55**      **Next Steps**

*We will wrap up our community discussion with proposed next steps.*

---

---

**8:30**      **END**

---

---

**1 ...We do nothing different than what we are doing today? What would be better/worse for our community in the future?**

**2 ...We make some investments in water system improvements but trend towards a bedroom community with little to no commercial? What would be better/worse for our community in the future?**

# What If?

**3 ...We make major investments in upgrades and can serve all the properties connected to our system? What would be better/worse for our community in the future?**

**4 ...What conditions do we want to see in our community in 5, 10, 25 years? What goals do we have in common?**
