

**RIGHT OF WAY UTILITY INSTALLATION OR REPAIR
PERMIT
INSTRUCTIONS**

Applicable uses: All Utility Installations and Repairs
PUD Construction
Subdivision Construction
Single Family Home Construction
New Construction
Renovation

Important: The Applicant and Contractor shall warrant all installations for one (1) year upon issuance of Certificate of Final Completion.
All contractors performing excavation permit work within the Town of Rico shall provide proof of the following prior to commencement of work:

1) A \$5,000 cash Excavation Bond posted with the Town of Rico– will be held for one full year upon completion of project.

Important: No excavation within the Town of Rico rights of way is allowed between November 1 and April 1.

Part I:

The attached form shall be filled out by the applicant (incomplete applications will not be processed).

1. Name of Project – please use the same name on all Town related paperwork or applications.
2. Name of Applicant – name of owner and owner’s representative if applicable, not the contractor.
3. Name of Contractor – company name, address, phone number and contact person.
4. Plans – one (1) 24” x 36” set required showing all planned work. Contractor may use 11” x 17” plan sheets if work is residential.
5. Signature – signature required by both applicant and contractor.

After completing Part I, return application to the Town Manager. The Town Manager must approve plans and sign-off on the application prior to proceeding with Part II.

Important: All elements in Part I must be approved prior to utility locates and sign-offs.

Part II:

Part II involves obtaining Utility Locations from the utility companies. ***This means all utility companies listed – no exceptions.*** Call the UNCC (Utility Notification Center of Colorado) at: **1-800-922-1987**. Allow 72 hours for your utilities to be located. Be sure to have your approved plans and this permit with you when your utilities are located. Contact the Public Works Department for water locates at 967-2863.

Return permit application with all locate signatures to the Rico Town Manager for final approval signature, payment of permit fee and permit issuance. A fee schedule is attached.

Important: Following issuance of the Excavation Permit, work may commence. However, the permit will expire if work is not commenced within fourteen (14) days of permit issuance date. Work must be completed within twenty-eight (28) days of permit issuance, unless authorized in writing by the Public Works Department.
